## NAB SAP Ariba email invitation

1. You will receive an **email invitation from Ariba** to commence the Supplier Onboarding process.

**Important** - please check your **SPAM or Junk Folder** if you are unable to locate the invitation email.

1

Hello,

We, NAB invite you to participate in a sourcing event Supplier registration questionnaire via Ariba Network.

To participate in or decline the event, you must either register your organisation onto the NAB Ariba network or log in using your existing Ariba account with your username and password via this event link [Click Here](#).

2

NOTE: This link is only valid for 30 days. If you're new to Ariba, please make sure to register before the link expires. After you've registered you can no longer use this link.

For any enquires about the event, the registration process or to retrigger the event link, please contact Project Owner via email [supplieronboardingandsupport@nab.com.au](mailto:supplieronboardingandsupport@nab.com.au)

We look forward to working with you!

Thanks,

NAB

### **i** IMPORTANT

- NAB requires that the **same Ariba Account**, identified by the Ariba Network ID (ANID), is used **for NAB Supplier Registration** (i.e. same account to be used to respond to sourcing events and to receive PO and invoicing).
- Please check if your company already has an **existing Ariba Account**.
- Please, confirm with your **Accounts Receivable, Finance or Administration teams**. Refer to SAP Ariba Help Center – [How do I search for other existing accounts and administrators my company has?](#)
- **Do not forward this email** - it is linked to your email address only.
- **Do not reply to this email** – direct your registration enquiries to [NAB Supplier Onboarding Team](#).
- **If you believe you should not be completing the supplier onboarding process**, please provide an alternative email address to the [NAB Supplier Onboarding Team](#), who will re-send the email invitation to that person.
- We recommend using a **group email address / shared mailbox** to ensure notifications and system access will be available to more than one person during periods of unexpected/extended leave or after exiting the company.

For further information, refer to SAP Ariba FAQ – [What are some common issues when registering an account?](#)

## New Ariba Account **registration confirmation**

**SAP Ariba**

**Welcome to the Ariba Commerce Cloud**  
Your registration process on the Ariba Commerce Cloud for TPRM Grace Inc. is now complete.

Your organization's account ID: **AN11049590995-T**  
Your username: **adminteam@packaginglobalenterprises.com**

As the account administrator for this account, make sure to keep your username and password in a secure place. Do not share this information.

If you registered after receiving an invitation from an Ariba On Demand Sourcing buyer, you can now access and participate in the buyer's sourcing events. The Seller Collaboration Console provides a centralized location for you to manage all your Ariba On Demand Sourcing events and buyer relationships.

Ariba On Demand Sourcing buyers might request that you complete additional profile information as part of their Supplier Profile Questionnaire. When you access customer requested fields for a specific buyer, you will see a pop-up page with that buyer's name; that page contains the buyer's customer requested fields.

You can immediately perform administrative and configuration tasks such as creating users and completing your company profile. If account administration is not part of your job responsibility, you can transfer the administrator role at any time to another person in your organization whose responsibilities are more in line with account administration.

**Good to Know:**  
Your Ariba Commerce Cloud account provides a central access point to the seller-facing capabilities of the following Ariba solutions:

- Ariba Discovery™ (Leads)
- Ariba Sourcing™ (Proposals)
- Ariba Contract Management™ (Contracts)
- Ariba® Network (Orders & Invoices)

Once your Ariba Account is successfully created, you will receive a notification email '**Welcome to the Ariba Commerce Cloud**' (see left)

Please check your **SPAM or Junk Folder** if you are unable to locate the welcome email.

### **IMPORTANT**

#### **Please note for your reference:**

- Your organisation's Account ID (also called ANID)
- Your Username (this is the Ariba Administrator username)

You can now access Ariba Network at [supplier.ariba.com](https://supplier.ariba.com)
